

Year 2 Newsletter Autumn 1

2015

Topic: The Seaside

Here is an outline of some of the learning activities for the year 2 classes this half term.

Plants

Towards the end of this half term we will be planting bulbs that will flower in the spring.

Phonics

Help your child to use their phonics knowledge in their writing by practising their spellings with them each week.

Reading

Please continue to support your child by hearing them read daily and sharing your own favourite stories with them. We will be looking at non-fiction books and fantasy stories. Try your local library for new books to share.

Maths

Take every opportunity to read, write, order numbers and count accurately.

We will be counting and partitioning numbers and looking at 2D shapes. We will also be measuring and handling data. We will be focusing on two and three digit numbers.

Science

We will be looking at living things; focusing on their food chains, life processes and habitats.

Writing

Help your child become an enthusiastic writer! Put pencil to paper by:

Writing a recount of a recent trip or activity; or write a story set at the seaside.

Exciting News

Meet the teacher Mon 14th September.
Individual Photographs Monday 5th October
Parent's evening Mon 19th and
Wed 21st October.
Harvest Assembly Friday 23rd October.
