

Year 2 Newsletter Spring 1 2016

Topic: The Great Fire of London.

Here is an outline of some of the learning activities for the year 2 classes this half term.

Plants

We will be observing how our plants have started to grow.

Phonics

Help your child to use their phonics knowledge by helping them to complete their spelling homework. They need to write five words for each sound and then use these words to write three sentences.

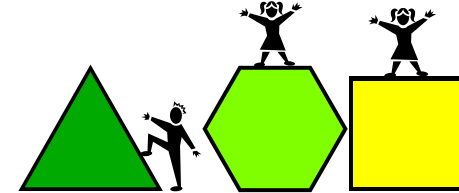

Reading

Please continue to support your child by hearing them read daily and sharing your own favourite stories with them. We will be looking at non-fiction books and fantasy stories. Try your local library for new books to share.

Maths

Take every opportunity to read, write, order numbers and count accurately. Please also encourage your child to tell you the time!

We will be introducing telling the time; addition and subtraction using money and looking at multiplication and division. We will also be introducing weekly times tables tests.

Science

As part of our Great Fire of London topic, we will discuss fire safety and the materials that houses were made of as well as investigating irreversible changes, eg, bread making. The children will also investigate the best material to make an umbrella out of.

Writing

Help your child become an enthusiastic writer!
Put pencil to paper by:

Writing a recount of a recent trip or activity; or
write their own information booklet.

Exciting News

Pantomime Monday 11th January
Yellow Class Assembly Friday 22nd January.
Green Class Assembly Friday 29th January.
