

Year 2 Newsletter Autumn 1

2017

Topic: The Seaside

Here is an outline of some of the learning activities for the year 2 classes this half term.

Plants

Towards the end of this half term we will be planting bulbs that will flower in the spring.

Phonics

Help your child to use their phonics knowledge in their reading and writing by practising their sounds.

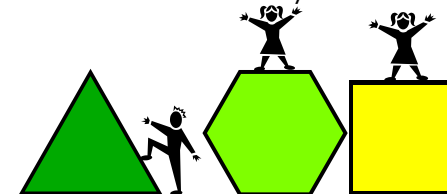

Reading

Please continue to support your child by hearing them read daily and sharing your own favourite stories with them. We will be looking at non-fiction books and stories in settings. Try your local library for new books to share.

Maths

Take every opportunity to read, write, order numbers and count accurately.

We will be counting and partitioning numbers and estimating where numbers are positioned on a number line. We will be solving problems involving addition and subtraction

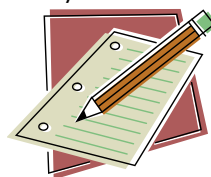

Science

We will be looking at healthy eating and keeping fit. Why not keep a food diary to see if you have eaten foods from all food groups?

Writing

Help your child become an enthusiastic writer! Put pencil to paper by: Writing a recount of a recent trip or activity; or write a story set at the seaside.

Exciting News

Meet the teacher Monday 18th September
Individual Photographs Monday 2nd October
Harvest Assembly Friday 13th October
Parent's evening Monday 16th and
Wednesday 18th October
