

Year 2 Newsletter Spring 1

2018

Topic: The Great Fire of London.

Here is an outline of some of the learning activities for the year 2 classes this half term.

Art and Design

We will be designing and making Tudor houses. Then hopefully having a visit from the fire brigade!

Phonics

Help your child to use their phonics knowledge by helping them to practise for their spelling tests. If your child is retaking the phonics test, please support them to identify sounds in their reading books.

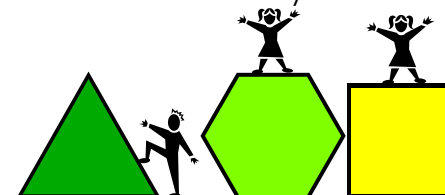

Reading

Please continue to support your child by hearing them read daily and sharing your own favourite stories with them. We will be looking at non-fiction books and poetry. Try your local library for new books to share.

Maths

Take every opportunity to read, write, order numbers and count accurately.

This half term our focus will be on money and shapes. Please encourage your child to count out the coins when paying in a shop and calculating the change! We will also be introducing weekly times tables tests.

Science

As part of our Great Fire of London topic, we will discuss fire safety and the materials that houses were made of as well as investigating melting and wax resistance.

Writing

Help your child become an enthusiastic writer! Put pencil to paper by:
Writing a recount of a recent trip or activity; or write their own information booklet.

Exciting News

Green Class Assembly: Friday 26th January
Phenomenal Phonics Afternoon:
Wednesday 31st January 2:30pm
