- To continually consider how well the school ensures equality of opportunities for all pupils.

- To narrow the gap in terms of achievement for vulnerable groups of children, in order to secure good progress for all learners.

Child Protection Procedure at Kingsway Infant School

It may be helpful for parents to know that Headteachers are required to report any obvious or suspected cases of child abuse or neglect to Social Services. This procedure is intended to protect children at risk. Headteachers are encouraged to take the attitude that, where there are grounds for suspicion, it is better to be safe than sorry. This does mean that there is a risk of upsetting some parents by reporting a case, which on investigation proves unfounded. In such circumstances, it is hoped parents will appreciate how difficult it is to carry out this delicate responsibility, and would accept that the Headteacher was acting in what were believed to be the child's best interests. To find out more about this you can read our Child Protection Policy in full on our website.
