Parent/Teacher Communication

We are always interested in talking to you about your child. Please see the teachers at the end of the day where possible. Or you could write a note, make an appointment at a convenient time or ring the office and we will pass on any message or get the teacher to call you back. Please avoid first thing in the morning as teachers are expected to have children in and doing early morning work immediately.

Access to Computers at Home

We recently sent out a letter asking if your child has access to a computer and the internet outside of school, please return the reply slip if you have not already done so. We have sent the letter out again by email or paper, but if you need a copy please contact the school office.
