

Wonder Wall Question

What can you do with a mobile phone?
What else would you like it to do?

PE Kit

Please make sure your child has their PE kit in school everyday. If the weather is suitable we do go outside, especially on a Wednesday when the whole school take part in activities with Game On coaches. Your child will need plimsolls and socks as well as white tee shirt and black shorts.

Water Bottles

As we are a 'Healthy School' please fill your child's water bottle with **water only** (not even flavoured water). We are also finding that adding even a small amount of flavour attracts wasps and ants at this time of year. Thank you for your support.

School Travel Plan

I am currently updating the school travel plan to try to allow for the impact that an extra class of children will have on local traffic, parking etc. Please have a look at the main objectives below and send in any thoughts for how we can meet our targets.

Objective 1: Increase the proportion of children walking to school

Target – Numbers walking to school increase by from 68% to 70% by May 2013

Objective 2: Reduce the number of cars around the school gates at 8.55am and 3.05pm

Target – Less congestion and less complaints from neighbours

Objective 3: Reduce the number of families arriving at 8.55 and leaving at 3.05pm

Target – Extend before/after school provision to allow more arrival/departure times

Attendance

Please remember arriving late after the registers have closed is marked as unauthorised absence.
