

Kingsway Infant School

North Approach, Watford, Hertfordshire WD25 0ES.

Headteacher: Mrs Caroline T- Walmsley

Telephone: 01923 675005

18th April 2012

Dear Families,

As many of you may be aware there is a real shortage of places for pupils throughout the Watford area. Last time I looked online we had 105 applications for 60 places!

We have been selected as a school for temporary expansion in September 2012.

This was a little unexpected and work will have to be fast to ensure high quality provision is ready for September.

However, I am delighted to say, I have already secured a fabulous teacher for the new Reception Class. She was a very successful student teacher here last year at Kingsway Infants. She has kept in touch and always expressed her desire to work here with our wonderful team and fantastic children. We all loved her and we were all really happy when she agreed to come back in September.

We will be reorganising the school to make sure it has a positive impact on provision. It is really exciting and we look forward to working with you and the Governing Body to continue building on our success.

More pupils mean more funding and more opportunities for all.

To all of you that have been spreading the word about what a great school we are – THANK YOU!

I will, of course, keep you updated on progress and give you more news as soon as I can.

Yours sincerely

Caroline T-Walmsley
