## Foundation Stage Spring Newsletter (2)

*Welcome back to everyone after the half term break!*

### Topic

Our topic for the second half of the spring term is *Water*.

### Reading

Please continue to support your child's reading and practising their High Frequency words.

Books are changed 3 times a week - Monday, Wednesday and Friday.

- Please make sure that you have read and signed your child's reading diary each day, noting any difficulties they may be having or make comments about their progress.
- If the diary is not signed and dated we will assume that they have not read and a new book will not be issued.
- Please continue to practise phonics daily.
- Please practise the key words packs regularly.
- If you are unsure of how to use the packs or would like advice about any of these issues please do not hesitate to speak to one of the team and they will try to help.

Mrs Walmsley monitors all records to see progress and also to see who is being supported well at home.

### PE

Small stud earrings are permissible but please provide surgical tape to cover them with during PE or take them out on those days.
