William, Ollie & Oliver in Orange Class for their lovely handwriting in phonics, Luke in Blue Class for his literacy and neat handwriting.

Reception - Away In A Manger

After working hard rehearsing Away in a Manger Reception performed (in their words) 'the real' show this week.

They were feeling a little excited and nervous but delivered a brilliant performance.

We are so proud of them – as I expect you are!

Year 1 – Number Sentences

In maths this week year 1 have been learning about addition and using number sentences.

Working in their books they have been filling in the missing number of ladybird spots and adding them to make a total.

3 ladybird spots + 3 ladybird spots = ? ladybird spots.

Year 2 – Exercise

Year 2 have been investigating why exercise is important and the effect it has on their bodies.

In one investigation they took note of their resting heart rate and then hopped for a specified length of time and then counted their heart rate again to see the difference.

Apart from their heart rate the children recorded other changes such as panting, red faces and feeling hotter.

Why is exercise so important?

PE With Miss Coles

Year 2 warm up before PE with a hula hoop session. With zumba music playing in the background to help with rhythm the children tried out different techniques to keep the hoop going.

There were lots of different techniques but they all managed to keep the hoop up!

Hula hooping is a great way to keep fit as it improves core muscles, coordination, balance, flexibility and tones – maybe we should all try it!

Thank you for your support at our Christmas Fair last week. It was fantastic to see so many of our families helping to get the fair set up beforehand and running the stalls.
