Deputy Head Teacher Awards - Well Done to

Poppy in Blue Class who received an award for her amazing maths.

Reception – People Who Help Us

Orange and Red classes have been taking a closer look into the roles of different people in our community who help us, such doctors, nurses, dentist, police vets etc. Mrs Bray visited the children this week to tell them all about her role as a nurse. She talked about her uniform, gave a brief description of what her work involves and stressed the importance of hygiene and demonstrated how to wash hands correctly.

Year 1 – Art – Hot and Warm Colours

Continuing with their topic on 'Space' year 1 have been using the sun as inspiration for their art and design lesson this week.

Thinking about hot and warm colours they started painting their pictures using red paint and added a little yellow paint each time their brush ran out.

Once dry the paintings will make a colourful display for the classroom.

Year 2 – Designing and Making Rockets

Year 2 have also been working on their Space topic. At the beginning of the week they designed their own rocket on paper, thinking about the size, shape and outer materials.

Following their designs carefully they made models of the rockets using the cardboard rolls you sent in and other resources from the classroom.
