Robot Dance Day

Year 1 and Year 2 explored computer coding and gained an understanding of computer logic in a visual, fun and active way on Monday when Splats visited us.

Team Robot – a crack team of computer experts were sent to save the world! Using a special code of signals and wigs Team Robot taught disco dancing.

Then along came the Meanies – what a scary group! The Meanies were aliens who invaded the school, spread viruses and then tried to take over – until Team Robot programmed them and got them dancing and moving!

At the end of the day there was a whole school assembly which included a performance from each class.

Science Carousel

Yesterday the whole school joined the science carousel. Each classroom set up a different science activity and the children took part in a variety of investigations and experiments.

We investigated magnetism using the snakes we made.

We learnt about garden birds and made bird feeders using pipe cleaners and Cheerios!

We planted sunflower seeds and learnt about what they need to grow.

We categorised healthy and unhealthy food
