

Summer 2015

We raised a massive £992.00 at the Summer Fair this year, this will go towards buying iPads! Although the weather was a little overcast on the day the atmosphere was bright and sunny! The cakes that were donated were mouth watering - and sold like hot cakes!

Some children created their own refreshments and decorated biscuits.

There were lots of activities for all the family and we were lucky to be able to use Kingsway Junior School playing field.

Bouncy Castle

Fancy Dress

Tombola

Sand Art

.....and lots more!

Thank you to Lisa, Melanie and Julia for all their hard work organising the Fair. Thank you to all the parents who helped on the day - please turn over for a special thank you.
