Reception - Making Grass Heads

This week reception children have had great fun making grass heads! First they placed grass seeds inside stretchy material and then added compost. The material was then shaped and sealed. Once placed the right way up the children added eyes and a red nose.

What do we need to add now to help the seeds grow?

Year 1 – Sorting Animals

Year 1 have been looking at different animals and sorting them into categories such as Fish, Mammals or Reptiles.

What other groups of animals are there?
What animals are reptiles?

Year 2 – Theatre Visit

Year 2 had a really exciting day on Wednesday when they visited The Alban Arena to see Oliver performed by the St. Albans Operatic Society. Having the experience of live theatre is amazing and back in class the next day the children discussed their favourite part and wrote a recount of the story. This visit was funded from Pupil Premium.

"My favourite bit was when the lady threw the water all over the man" Lori

"My favourite part was the Artful Dodger singing 'Consider Yourself' and 'You've Got to Pick a Pocket or Two'" Zach

eSafety

Windows 7 and 8 have a little-known feature which you can use to keep your children safer. Family Safety provides a website and a free program that you install on the PCs your children use, so you can give them some independence but still keep tabs on their activities. Family Safety can also help keep your children off websites that you don't want them looking at, and only let them talk to the people who you're OK with them talking to. Go to -
