Year 2 – The Seaside Past and Present

As part of their seaside topic year 2 have been looking at the seaside in the past and present. The children watched a video of the seaside in the past and discussed similarities between then and now.

The next task was to imagine they were in the past at the seaside and write a postcard to a family member or friend describing what they were doing.

Did they use the bathing machines?

Year 1 – The Gruffalo

In literacy Year 1 have been reading The Gruffalo. This week they acted out the story taking care to ensure that parts of the story are in the correct order.

They also considered the importance of each of the main characters, by thinking about what they do and what they say and the setting of the story.

The children used masks for the main characters and we have a lovely tree in the background (wearing the red top)!

Reception – Mixing Colours

Reception have been learning about colours and experimenting with colour mixing.

They have learnt about primary colours and investigated what happens when you mix them.

They are making a surprise!

What are the primary colours?
