## Year 1 – Weather

In Design and Technology this week Year 1 made moving pictures about the weather.

The children first drew a plan and shared their ideas.

Using paper, cotton wool and straws they made clouds and then added a thunder bolt to appear as if it was coming out of the cloud.

Let's hope that's not the forecast for this weekend!

## Reception – At the Beach

Reception made the most of the lovely weather and their imaginations this week and early one morning took a trip to the beach!

While some children peeled off their shoes and socks to play in the sand others enjoyed the hula hoops or teamed up to play ball games. They were having a great time!

Next week as part of their topic on transport the children will be talking about going away on holiday.

## School Meals – Fruity Friday!

Every Friday, as well as having a Fun Lunch, the school meal menus include 'Fruity Fridays', an opportunity for children to eat more fruit and try new foods and tastes. To encourage the children to choose a fruit for their dessert, our excellent kitchen staff have been creating these amazing fruit displays on the food counters.

**School Meal Survey**  
Herts Catering Ltd have sent out a leaflet asking you to let them know what you think about school meals. Please return the leaflet to school by 10<sup>th</sup> July at the latest.

## Breakfast Club – Kingsway Infant School

Our Breakfast Club runs from 8.00 – 8.55 am Monday to Friday, the cost is £2.50 per morning. The club is open to children of Kingsway Infant School and Kingsway Junior School, so if you have a year 2 child attending now they can continue. The children start with a selection of food for breakfast and then move on to fun activities usually in the hall. Junior school children are accompanied to school by a member of staff. We are taking bookings now for September 2015, if you are interested and haven't already completed a registration form please collect one from the school office.

## Kingswood Evening Group
