3rd July 2017

Dear Parent or Carer,

A member of staff from North Watford Library has visited school today to promote “Animal Agents”, the national Summer Reading Challenge. Last year over 20,000 Hertfordshire children took part in the challenge, so do not miss out!

There are stickers designed by book illustrator Tony Ross to collect along the way and children who complete the challenge by reading, sharing or listening to 6 library books (or eBooks from our website www.hertsdirect.org/libraries) and chatting to library staff about them will be rewarded with a medal and certificate at a special presentation ceremony in their local library. They will also be entered into a prize draw where they could win a ticket to an exclusive author event.

The Summer Reading Challenge is about encouraging children to enjoy reading, and find out about what their local library has to offer. There is also a dedicated Summer Reading Challenge website (www.animal-agents.org.uk) with a great range of themed games and activities, as well as the opportunity to read about favourite authors and contribute book reviews..

The Animal Agents packs will be available in all Hertfordshire libraries, from Saturday 15 July until Saturday 9 September 2016, while stocks last!

If your child is not already a library member and would like to join you don't need to wait until the start of the challenge to register. You can either visit the library in person, where we will ask you to fill out an application form in your child's name, or you can fill out the form online at www.hertsdirect.org/libraries. You will need to provide proof of your name and address (e.g. gas, electricity, phone bill, council tax statement or child benefit book). For more information please visit www.hertsdirect.org/libraries, download the Hertfordshire Libraries App to find information about your local library or call us on 0300 123 4049.
