Dear Parents,

If you would like your child to have milk at school next term, please fill in the slip below and return it with the **correct money** or a cheque (made payable to Herts County Council). If your child is receiving free school meals from the universal free school meal scheme you will need to pay for school milk. The cost will be £14.25 for the term. **Please order by 30th November 2017.**

Free milk is available to children entitled to **benefit related free school meals** (if a parent or carer is in receipt of qualifying benefits) and those children who are **still 4 at the end of the Spring term** (29th March 2018). **Milk will not be ordered unless requested on the slip below.**

We would point out that milk is not only good for the children but is also very good value. Mid-morning milk is being provided at reduced prices as a result of European Community subsidy.

Yours sincerely,

Caroline T-Walmsley
