Kingsway Infant School Team Entry into the Abbots Tough Ten Sponsored Charity Run Sunday 2nd October 2016

Dear Parents and Carers,

The Abbots Langley Tough Ten is a fantastic local event that encourages children of all ages to take part in running races held in Manor House Grounds in Abbots Langley. The Sponsored Charity Run will take place on Sunday 2nd October 2016, **meeting at The Manor House, Gallows Hill Lane, WD5 0DD at 9am**. Once again we are putting together a Kingsway Infant school team to run in the **Park Run for under 7's**. Teachers will be present on the day but we ask you to stay with your child and show lots of support for our school team!

This race is open to Reception, Year 1 and Year 2 children. The route for this race is within the confines of the park, so safe for young children. Parents may accompany their child if they wish to, although once all the school entries are in children will be grouped in their school.

If your child wishes to participate please return the slip below to school by the morning of **Thursday 22nd September along with the £3 entrance fee**. The children will have a race number, to be worn on the day with their **school PE kit** so our school is easily recognised. It can be chilly waiting around for the race to start and it is recommended that children wear an extra layer to keep warm before and after the race. Sponsorship form (which will be sent out when we receive your entry form and payment) with money should be returned to school after the run.

The Tough Ten Committee operate a 50% cash back to the school from all sponsorship money raised with the other 50% going to other local causes so it is a great opportunity for children to gain recognition for their race whilst raising money for local charities and our school.

In previous years we have entered a team of children who were all amazing! The emphasis is on taking part, being part of a team and having fun! All children will receive a medal at the end of the race which they can wear to school for a special assembly.

If you have any further questions please do not hesitate to come and see me. Many thanks for your support,

Miss Reeska
