Dear Parents,

If you would like your child to have milk at school next term, please fill in the slip below and return it with the **correct money** or a cheque (made payable to Herts County Council) or by credit/debit card on Parentmail +Pay, **before 10th July**. The cost will be £17.50 for the term.

Free milk is available to children entitled to **benefit related free school meals** (if a parent or carer is in receipt of qualifying benefits), and to those children who are still 4 at the end of the autumn term, 19th December 2017, **but this will not be ordered unless requested on the slip below**.

We would point out that milk is not only good for the children but is also very good value. Mid-morning milk is being provided at reduced prices as a result of European Community subsidy.

Yours sincerely,

Caroline T-Walmsley
