This week Year 1 learnt to make their own moving pictures based on the weather.

They drew a picture of a cloud and included a 'slider' to make part of the picture move.

The children were very proud of their work.

**Reception – Counting in 10's**

Maths is taught using interactive and fun group activities. We encourage the use of maths in all areas of learning, including outdoors.

This week the children were counting in 10's and used a hundred square to support their learning and to help them recognise number patterns. They discussed when counting in 10's could be used.

Family Open Evening and End of Year Show

Wednesday 12th July 5.00pm – 7.00pm

The classrooms will be open between 5.00 – 6.00 pm. This is an opportunity for your child to show you their classroom, look at the excellent work displayed on the walls and for our year 1 and reception families to visit the classroom they will be learning in next year. Between 6.00 pm and 7.00 pm all the year 2 children will be putting on an 'End of Year' show including performances from the Piano Group and the Ukulele Group. The show will start at 6.00 pm, members of the Ukulele Group please remember to bring your ukulele and practice for the show!

Year 2 children need to meet in their classroom at 5.45pm to take part in the show – we hope you can all make it.

Ice Pops – A Special Request

Mrs Walmsley received letters from the children in Orange Class this week asking for ice lollies to be available to buy at the end of the school day! We never like to disappoint so we have organised for ice pops to be on sale after school today for 20p each. They are in the freezer now – we hope they will be ready for after school. Thank you to Mr and Mrs Barnard for organising this for us. All profits will go towards our next fundraising project.

Twitter

To celebrate their fantastic achievements we are now publishing the names of the children who receive a Headteacher or Deputy Headteacher Award on Twitter throughout the week. Follow us on twitter @kingswayinfants or see our website to keep up with all the tweets.

When the children complete the challenge they will receive a medal and certificate and be entered into a prize draw to win tickets for an exclusive author event.
