

## Arts Week

Arts Week is an exciting part of our school curriculum and once again, the children produced some amazing work. Each class took part in various activities and the week ended with a special viewing for parents.

Reception children studied Albert Irvin, an English abstract expressionist painter, and created work in the same style using different mediums. They produced some really colourful work.

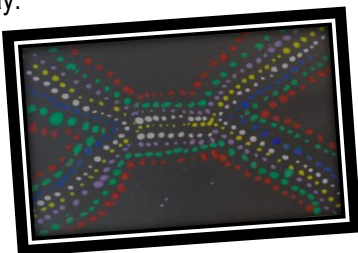

Patrick Caulfield captured the imagination of Year 1 children. The whole class worked together to produce a really bold and colourful piece of art in the same style.

Year 1 children also looked at the work of Andy Goldsworthy, a British artist who collaborates with nature to make his creations. The children worked in groups to create some fantastic art in the same style.

Year 2 children created aboriginal art using colour, pattern and symbols. Aboriginal art has survived for thousands of years and is one of the oldest art forms still practised today.

### Goodbye

After nine years at Kingsway Mrs Toombs has been tempted away to a new challenge. We are so pleased that her leadership was recognised as 'outstanding' by Ofsted during our recent inspection, but most importantly we will miss her actions in the songs of all our shows!

Mrs Foulsham has been teaching at Kingsway for ten years and has decided to take some time out with her family, we will miss her from our outstanding leadership team.

Miss Stein is returning to her family in Canada after teaching here for the last two years, she has brought amazing art and displays to the school.

Mrs Oliver, our Spanish Teacher, will be leaving us and moving on to work with older children.

We wish them every success in their new ventures.

### Hello and Welcome

Miss O'Connor and Miss Goodman have both had successful work experience and training here at Kingsway Infant School for a number of years. We are delighted they are both in a position to join the team in a full-time permanent capacity from September. Exciting times!
