

It has been wonderful to watch the chicks grow over the week and see the children's reactions as they held a chick. Today we have welcomed three new members to the Kingsway Family, guinea pigs! Over the next week, the children will get the opportunity to meet them and enter the competition to name a guinea pig.

Next week, we are celebrating Black History Month, with an active and engaging assembly. Wishing you all a restful weekend and look forward to seeing you on Monday.

Head Teacher's Award

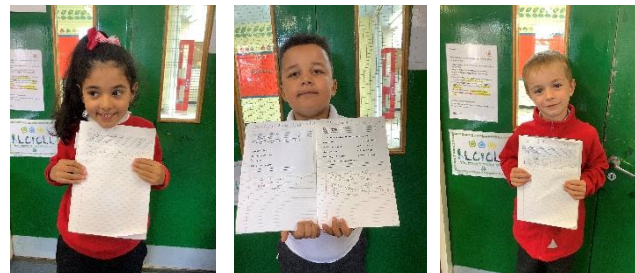

Erik in Yellow for his amazing computing.

Well done!

Reception This week, we have been reading "Funnybones" and discussing the different parts of our body and their functions. We created our own skeleton art using pasta, chalk, and cotton buds.

In maths, we have been exploring various counting strategies and practising stable order counting to ensure our counts are accurate.

Year 1 In Science, we have been looking at changes to our body since we were babies. We played a Guess who game, identify similarities and differences and found out that some features will never change such as eye colour and our fingerprints. In Art we explored different qualities of line, colour blending, mark making and smudging using chalk and oil pastels. Take a look at our wonderful spiral snail designs!

Year 2 This week, we started instruction writing inspired by our class text, 'How To Make Friends With A Ghost'. We identified imperative verbs in the story and used these to write our own commands. We learnt that commands need to be clear and specific. In science, we learnt about the human life cycle and how we change during each stage of life. We also discussed that animals, including humans have offspring which then starts a whole new life cycle.

STARS OF THE WEEK

Evie-Mae	Dexter
Janvi	Erin
George Co	Harlen

WELL DONE to all the children who made it onto our 'You Make Us Proud' board.

- Disha Ariya Lennon
Nicole Shanaya Maanav

Starting School!

If you have a child turning 4 and due to start school in September 2025, please follow the link below to book a tour to come and view our amazing school!
