

## A Message From Mrs Knights

*Thank you to Orange and Red Classes for their informative and entertaining assemblies. We are so proud of all of the children and hope that you enjoyed watching their performances. It has been lovely to see the children enjoying the spring sunshine this week, please remember to name all coats and jumpers. We are looking forward to all of the end of term Easter activities and fun next week, but meanwhile, wish you all a lovely weekend.*

**Year 1** We have been writing a recount of our journey to school. We used conjunction to link our sentences and adjectives to describe our nouns. In History, we were learning about how toys have changed over time and discussed how this impacted on the toys we play with today. In Computing we designed our robots, changing colours, resizing body parts and using flip to turn parts into opposite directions.

**Reception** We have been reading 'Supertato' this week, we have been comparing story books to comic books and how they both still structured the same, with a beginning, middle and end. We created our own 'Super Veg' comic books. In Maths, we have been using our counting on skills to find a total and writing a number sentence to record our findings.

**Year 2** We have been planning and writing our own stories based on 'Julian is a Mermaid'. Our characters are going on an imaginary adventure. We thought about how we want our audience to feel at different points in our story. In Design and Technology, we created our own moving pictures based on the story 'The Three Billy Goats Gruff'. In History, we have continued learning about The Great Fire of London and learnt about sources which help us to know that the fire happened. In art, we created wax resist art showing houses from 1666 on fire.

# YOU MAKE US PROUD

WELL DONE to all the children who made it onto our 'You Make Us Proud' board.
