

The children have all settled back into school after the half term break and are focusing on their learning and being the best they can be! Yesterday we celebrated outdoor classroom day. Reception children said how much they loved doing PE outside! Next week, we have Remembrance Day, an anti-bullying puppet workshop and Children in Need day. Wishing you all an enjoyable weekend and I look forward to seeing you on Monday.

Year 2 This week, we started our D&T topic all about mechanisms. In our lesson, we designed a wheel like the London Eye. We had to follow the design brief and ensure it will be able to move. Over the next few weeks, we will be making the wheel. In computing, we created an animation. The children loved seeing their pictures come to life!

Year 1 In English, we are learning about traditional tales, we used drama to retell the story of The Three Billy Goats Gruff. We used a deep loud voice for the troll, can you remember what he said? In PE, we are learning to dribble the ball with control, making sure that we are avoiding the defender by moving into a space. In Design and Technology we were learning about how to identify the ingredients for our smoothies, classifying fruit and vegetables. How do you know that your ingredient is a fruit?

Reception This week, we have been exploring the fascinating world of traditional celebrations and events, such as Guy Fawkes Night and Remembrance Day. We explored the reasons behind these annual commemorations and learned about the significant actions of people from the past who have shaped our present and future. In mathematics, the focus was on exploring repeating patterns.

YOU MAKE US PROUD

WELL DONE to all the children who made it onto our 'You Make Us Proud' board.

Cut your Carbon

November is 'Cut Your Carbon' month, and our Eco-Council decided it would be a great idea for our school to take part. Even by making small changes, we can have a huge impact. So, we have been set with six challenges to complete over this month to reduce our Carbon emissions at home, you can tick these off as you do them on the checklist that came home today. Follow this link to find out more!
